## Scheme of Delegation

Reviewed: November 2024 Next review: November 2025

## Introduction

This Scheme of Delegation has been developed to delineate levels of responsibility and accountability across the Trust. It takes into account the Academy Trust Handbook, Academy Trust Governance Guide, Articles of Association, Funding Agreement, company and charity law and further guidance and statutory obligations conferred upon academy trusts by the Department for Education (DfE).

It also takes into account, the three core functions of governance:

- Ensuring clarity of vision, ethos and strategic direction
- Holding executive leaders to account for the educational performance of the organisation and its pupils, and the effective and efficient performance management of staff
- Overseeing the financial performance of the organisation and making sure its money is well spent

The trust will decide how policies are developed and approved in accordance with the DfE's Academy Trust Governance Guide, available here: <a href="https://www.gov.uk/guidance/-governance-in-academy-trusts">https://www.gov.uk/guidance/-governance-in-academy-trusts</a> .

The levels of delegation are as follows:

- Members
- Trustees
- Risk & Audit Committee (R&A)
- Finance Committee (F)
- Chief Executive Officer (CEO)
- Local Governing Bodies (LGB)
- Headteachers (H/T)

The Trust's Terms of Reference documents the constitution, roles and responsibilities of the individuals and boards above.

This document will be reviewed annually; legislative changes to accountabilities, responsibilities or delegated powers will be reflected immediately. Following approval, this document will be made available to the Local Governing Bodies of the schools within the Trust and published on the Trust's website. Where necessary, Trustees will consult with those affected by any significant changes.
